ABOUT US

Inventiko - High-End 3D Product Design & Animation Studio

Empowering product manufacturers with stunning 3D visuals that sell

Inventiko specializes in high-quality 3D modeling, photorealistic renders, and product animations. We help product brands stand out with visuals that impress, explain, and convert.

WHAT WE OFFER?

3D Visualization

Photorealistic product renders, lifestyle scenes, and infographic images crafted to showcase your product in the best light—across all platforms. Pricing: Starting From ₹5,000 upto ₹25,000

3D Modeling

We create precise, clean, and production-ready 3D models tailored for eCommerce, animation, or manufacturing. Every detail is built to scale. Pricing: Starting From ₹1,000 upto ₹10,000

3D Animation

Bring your product to life with cinematic animations that demonstrate functionality, aesthetics, and brand personality—all in motion. Pricing: Starting From ₹10,000 upto ₹3,00,000

Proven Process to Bring Your Product to Life

At Inventiko, we follow a streamlined, collaborative workflow that ensures every model, render, or animation is tailored to perfection—visually stunning and production-ready.

Discovery Call

We understand your product, goals, and market. This helps us tailor every aspect of creative your brand.

Design & Development

Our artists create quality 3D models and visuals, ensuring accuracy, brand alignment, and impact.

Review & Final Delivery

We refine based on your feedback, ensuring the final output is polished, approved, & ready to use.
